## MEDIA RELEASE

### **LSA appointed to provide the Professional Ocean Lifeguards for Eurobodalla Shire Beaches**

**Wednesday 9th November 2011**

Lifeguarding Services Australia has been appointed by Eurobodalla Shire Council as the provider for the professional lifeguard service for the Council's 7 beaches for the next 3 years.

In a recent media interview Stan Wall, Lifeguarding Services Australia CEO, said "We can't wait to start the recruitment drive and look forward to providing the best possible service to the local community."

Lifeguarding Services Australia provides professional lifeguards, lifeguard training and aquatic safety services, to community groups, schools, sporting associations and local councils.

We look forward to providing these professional services and working side by side with the local volunteer Surf Lifesaving Clubs. These Surf Clubs provide the community with a vital service, both as a sport, and as a community service, and are the breeding ground for our future professional lifeguards.

As part of the training and professional development of our future staff, lifeguard instructors from the Australian Professional Ocean Lifeguard Association (APOLA) will provide their services to ensure that our staff are ready for the season start throughout Eurobodalla Shire on the 21st December 2011.
